

The background image is a photograph of a large, ornate ballroom. The floor is made of dark wood with a herringbone pattern. In the foreground, there are two large, circular, light-colored floor mats. To the right, a DJ booth is set up with blue lighting. The room has high ceilings with decorative moldings and large windows with white frames. A doorway in the background leads to another room with a chandelier.

On the pages that follow, you will find our most popular packages with pricing and short descriptions of each. No matter which package you choose, you will always have these standard items as part of your package:

2 man team -Yes for a few dollars less you can find someone to do a wedding with just 1 person.

Your DJ/MC is the heartbeat and voice of your celebration. Besides keeping your guests entertained, they also:

- Vendor Coordination: Collaborating with photographers, caterers, planners to ensure timing syncs up
- Announcements: Clearly communicating when things are happening, so guests stay informed.
- Crisis Control: Helping smooth over delays or unexpected changes with grace and professionalism.
- Tone Setting: Balancing formality and fun based on your preferences.

When done right, a skilled DJ/MC isn't just playing songs or reading scripts—they're co-directing the emotional arc of the entire event. We are in no position to judge how others do it, but we believe it's impossible to have this amazing flow with just one person bouncing back n forth. You deserve the best that our full attention delivers.

Planning Portal - For this never again to be repeated day, planning is essential. We are certified wedding planners. Every client gets a dedicated personal web portal that includes:

- Access to our unique ceremony & reception planner
- Timeline creator
- Seating arrangement planner
- Music selector with Spotify link in
- Online payment system
- All contracts and package description
